MATERIALS
Massaua 100% cotton.

WEIGHT
270 g/m²

FEATURES
Work bib-trousers made from durable Massaua fabric, offering high wear resistance and natural comfort thanks to their 100% cotton composition. Massaua fabric, known for its compact and durable structure, is ideal for intensive professional use, ensuring breathability and a comfortable fit even during long workdays. Designed to offer comfort, practicality, and durability in the most demanding activities, it represents the perfect choice for those seeking freedom of movement and reliability in a versatile work garment. The extremely refined appearance and the contrasting color of the inserts make the Fusion series the evolution of workwear. The choice of fabric and colors gives the garments a strong personality. Its 7 pockets make it extremely functional and practical, allowing essential tools and items to always be within reach during work. On the right side, there is also a hammer loop and, complementing the multi-function technical pocket, pen and cell phone holders. The side openings with two stud buttons and the elasticated back waistband ensure a comfortable and adjustable fit. The double interlocked seams and contrasting bar tack reinforcements guarantee strength and durability over time, even in the most demanding working conditions.
