TECHNICAL SHEET

COOL TOUCH SERIES

# BADGER sweatshirt

## MC3155Z9

### MATERIALS
70% polyester, 25% rayon, 5% spandex

### WEIGHT
320 g/m²

### FEATURES
Work sweatshirt with an extraordinarily soft hand-feel: the polyester component ensures rigidity and shape retention, while the rayon component preserves its softness. Furthermore, advanced spinning technology is employed, which makes the fabric overall lightweight without compromising its structural integrity. The zippered collar offers increased operational safety and a clean finish, as well as extra protection for the front of the neck. This protection is enhanced by the high windproof collar. The reflective inserts on the sleeves increase the operator's visibility, improving safety during work activities. The presence of pockets makes the garment practical and functional.

### DETAILS
- Zipper closure;
- Windproof high collar, for front neck protection;
- 2 hand-warmer pockets, to ensure quick and convenient access to smaller items.

### CLOSING
Full Zip

### REFLEX
Reflective inserts on the sleeves.

### AVAILABLE COLOURS
- Q5 - DARK BLUE
- Z9 - BLACK
